

# CHOCOLATE FOUNTAINS OF DORSET

*"Chocolate From Heaven"*

A Chocolate Fountain can add the perfect touch to your wedding day or other special event. Delicious warm Belgian chocolate cascades down the fountain tiers like a chocolate waterfall. It will be a spectacular addition to your event, which will be talked about and remembered for a long time afterwards.

Being one of Dorset's original suppliers of chocolate fountains, we offer a premier service at a great price and are constantly praised on our presentation and professionalism.

We specialise in making your special day something to remember. We attend each booking personally and offer unlimited chocolate and a large range of unlimited dips at a fantastic price.

We only ever use fresh Belgian chocolate and never add oil.

# Chocolate Fountains of Dorset

***This package offers you and your guests the ultimate “chocolate fountain experience”.  
A magnificent 44” fountain and two different flavours of chocolate to choose from at a great price.***

We will come to your venue and set up the fountain and the table display. We both wear smart uniforms and serve chocolate for three hours. We then:

- Supply 1 x 44” five tier Sephra chocolate fountain and 1 x 19” three tier Sephra "Elite" fountain
- Supply an *unlimited* amount of fine Belgian chocolate – various flavours are available
- Supply an *unlimited* amount and a large selection of different dipping foods, including homemade biscuits
- Provide skewers & napkins
- Replenish the dipping foods and chocolate as required
- Keep the area clean & tidy
- Assist guests in the use of the fountain
- We will dismantle the fountain after use and clean up afterwards

All of the chocolate remaining in the fountain will be left behind for your own use. There will be a substantial amount, so Hazel provides some recipe suggestions! We also leave any unused dipping foods behind for your guests to enjoy after we leave.

Also, don't worry about getting chocolate over yourself or your guests; we have never had any problems. We show everybody how to use the fountain safely and remain by the fountain at all times.

The price includes all the above for up to 150 guests - there are no hidden costs. The choice of dipping foods will be discussed and your selections will be made available wherever possible.

**Total cost: £495** (Additional guests will be charged at £25 for each extra 50)

We also have other packages available. Please see our website for further information.

***If you require any more information, please give us a call. We are always more than happy to discuss chocolate!***
